Subject: **Notice of Employment Termination**

We are writing to formally notify you that your employment with NTEKSYSTEMS INCORPORATED will be terminated effective **June 10, 2026**. This decision has been made in light of the Company's organizational changes and is not a reflection of your individual performance.

Reason for Termination

As previously communicated, the Company has made the decision to dissolve its Work-From-Home (WFH) arrangement. Effective immediately, all roles are required to be performed on-site at the Company's designated office location. Unfortunately, as your position was established under the remote work setup and a suitable on-site arrangement cannot be accommodated at this time, we are unable to continue your employment under the revised operational structure.

This action is taken solely as a result of the Company's operational restructuring and the discontinuation of remote work arrangements. We wish to emphasize that this termination is in no way attributable to any misconduct or deficiency in your performance.

Final Pay and Benefits

Your final paycheck, inclusive of all accrued and unused leave credits, will be processed and released in accordance with applicable labor laws and Company policy. Please coordinate with the Human Resources Department regarding the following:

- Return of Company-issued equipment, access cards, and other property
- Clearance process
- Release of final pay
- Processing of Certificate of Employment

Turnover Period and Garden Leave

To ensure a smooth transition, you are required to complete a proper turnover of all your responsibilities, pending tasks, files, and any Company property on or before **May 31, 2025**. You are expected to coordinate closely with your immediate supervisor and the relevant teams during this period to facilitate a seamless handover.

From **June 1 to June 10, 2025**, you will be placed on **paid garden leave**. During this period, you are no longer required to report for work or perform any duties. However, your employment relationship with the Company remains in full effect, and you will continue to receive your regular salary and applicable benefits through your official last day of employment on **June 10, 2025**. Please note that you remain bound by all Company policies, including confidentiality and non-disclosure obligations, throughout this period.

Notice of Employment Termination

Confidentiality and Post-Employment Obligations

We sincerely appreciate the contributions you have made to NTEKSYSTEMS INCORPORATED during your employment. We wish you the very best in your future endeavors.

Very truly yours,
